Go Pray

- 1 Shuffle the deck and distribute five cards to each player. Place the deck face down between players.
- 2 Make pairs first by asking other players if they have a match in Spanish. If the player has the card you asked for, play again. If the player says "Go Pray", draw one card from the draw pile.
- 3 Continue this pattern until all cards have been matched. The player with the most pairs wins.

Charades

- 1 The oldest player begins the game. If there are enough players, you can divide into teams.
- 2 Without speaking, act out the word shown on the card you've drawn so that others can guess.
- 3 The first person to guess the word or phrase gets a point and acts out the next card drawn.

- 4 The second player flips through the remaining deck to search for the matching cards and lay them out in sequence before the timer stops.
