Faith Formation for *Families*

Parish Box:

Peace

(English Version)

LittleBox of GoodNews | Cajita de Buenas Nuevas™

Today is a good day!

You have chosen to equip your families with fun faith formation that they can do *together*.

You will receive the same version of the Peace Box that families receive so that you can understand the contents and better support them.

In the box, there are activities to help discover the following:

- What is peace?
- Peace within themselves
- Peace in their homes
- Peace in their family
- Peace in the community
- Peace in the world

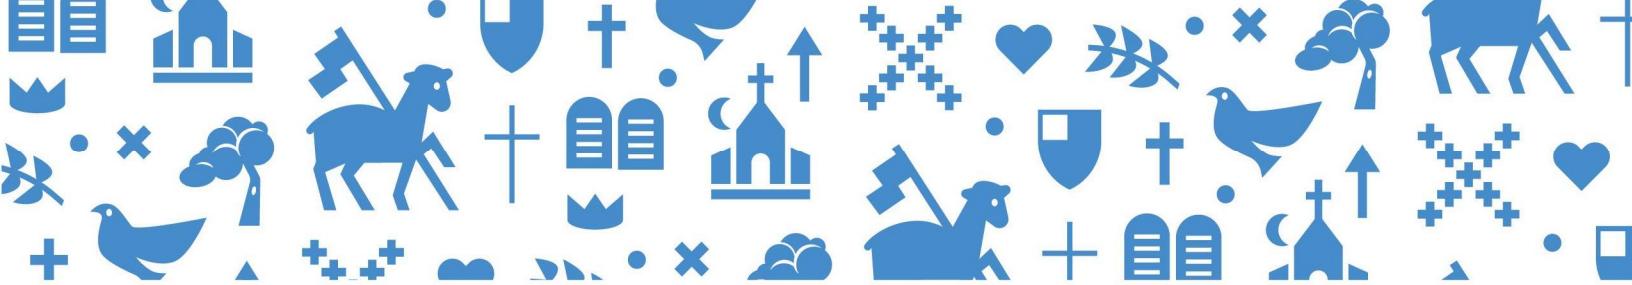

The Little Box of Good News® is a family-centered faith formation program created by the Episcopal Diocese of Louisiana. One goal is to assist parishes with bringing the Good News into homes and equipping parents and caregivers, who are the primary faith-builders in the family. Together, we are helping the next generation realize and embrace their identity as beloved children of God!

How are parishes using the Little Box of Good News®?

Supplemental Resource for Families

Parishes are offering a coupon code and encouraging families to engage with the boxes as they see fit at home. These parishes are occasionally using one or two of the activities from the curriculum or additional resources in their congregation.

Primary Faith Formation Program

See the "Curriculum" section to learn how to use the boxes to structure your Sunday school and family formation.

Regular Gatherings of Families

Parishes are holding a Little Circle gathering monthly or quarterly. Some use a suggestion from the "Little Circle" section for an intergenerational learning event. Others are gathering more regularly and having the children do one of the lessons from the "Curriculum" section while the parents discuss deeper one of the topics within the box. In between gatherings, all families are completing the same activity in the box.

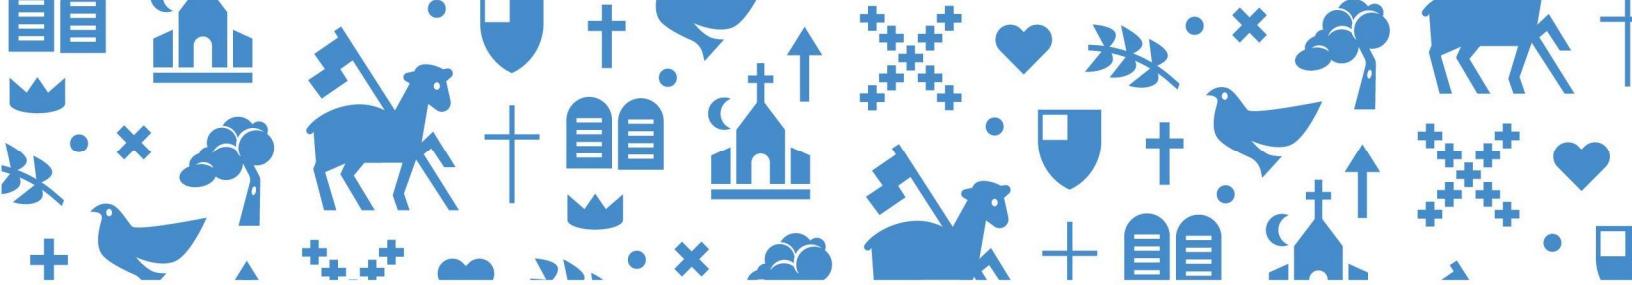

Whole Church Intergenerational Gatherings

Parishes are purchasing several subscriptions for their church to use. At one coffee hour per month, they are setting up the same activity on every table and having everyone work together to complete the activity. This is especially helpful in parishes that have only a few families.

Resource for Family-centered Sundays

Parishes are using the "Resources" in this guide to create a family-centered Sunday Eucharist regularly. There are sermon ideas, some additional Sunday School activities and Community Connection options that parishes can choose from to make a Sunday service special for the whole family, utilizing the themes of the Little Box of Good News®.

Should your church provide the boxes to families?

There are many ways to support your families with their Little Box of Good News®. Some parishes provide a coupon code for boxes.

Other parishes provide the first box to families and then a coupon code.

Still others provide a box subscription to each family.

Reasons some parishes are providing the boxes:

- Families come to church to get their boxes each quarter.
- You know which families are receiving the boxes and can follow up.
- It is less pressure on the parents and connects them to the church. *Sometimes it is easier for a family to donate a little more to church than to commit to subscribing to something extra.*

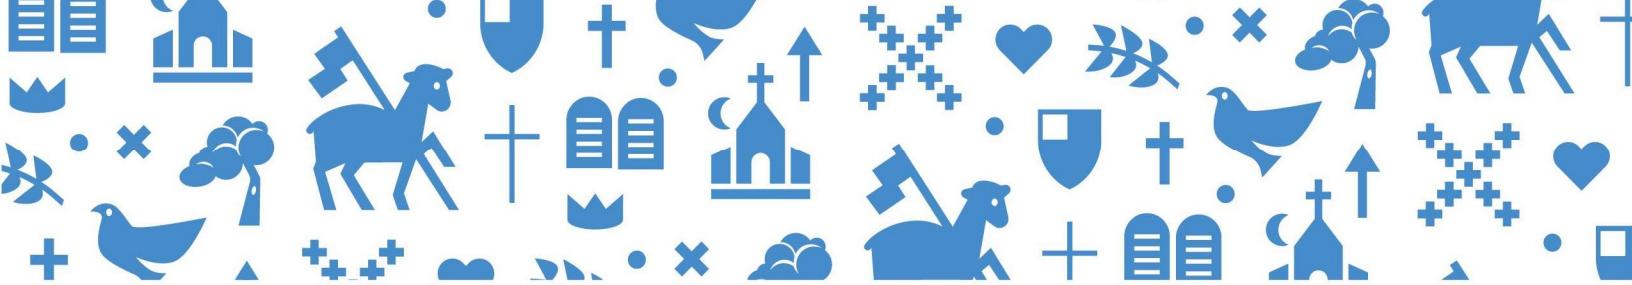

How parishes are affording boxes for families:

- Including boxes as part of their faith formation budget.
- Having a donation basket for families to donate toward offsetting the cost at their gatherings. (*Monthly meetings – “suggested donation: \$10 per family”*)
- Allowing a way for all parishioners to donate toward this aspect of the faith formation program.
- Applying for a Little Box Grant – we have special funds to help parishes afford the boxes for their families. *Contact us for more information!!*

LittleBox of GoodNews | Cajita de Buenas Nuevas™

Using the Little Box of Good News® as your primary parish faith formation program:

Since this is an intergenerational program, we recommend that you plan to have an intergenerational activity once a month following a liturgy that is focused on youth and families. This would be your Little Circle of Good News gathering. At this liturgy, if you typically have children's church, you would forgo that option and keep everyone in church together for the liturgy. We encourage you to create a sermon that appeals to all ages. (See sermon topics in the "Resource" section if you want to tie it into the Belonging Box.)

You would then offer children's church on the other Sundays as is customary in your parish. We understand that many churches share similar challenges around children's church or Sunday school. Therefore, we have formulated a very simple children's church plan that *any volunteer can lead*, using the Peace Box, regardless of whether you have 2 or 12 children present and whether they are 2 or 12 years old. The lessons are designed to take only 20 minutes since that is often how long we have!

Planning Structure:

Once per month:

Youth/Family Centered Liturgy & Sermon

Little Circle of Good News gathering

Remainder of Sundays:

Children's Church/Sunday School

(We have included suggestions for 13 Sundays per box.)

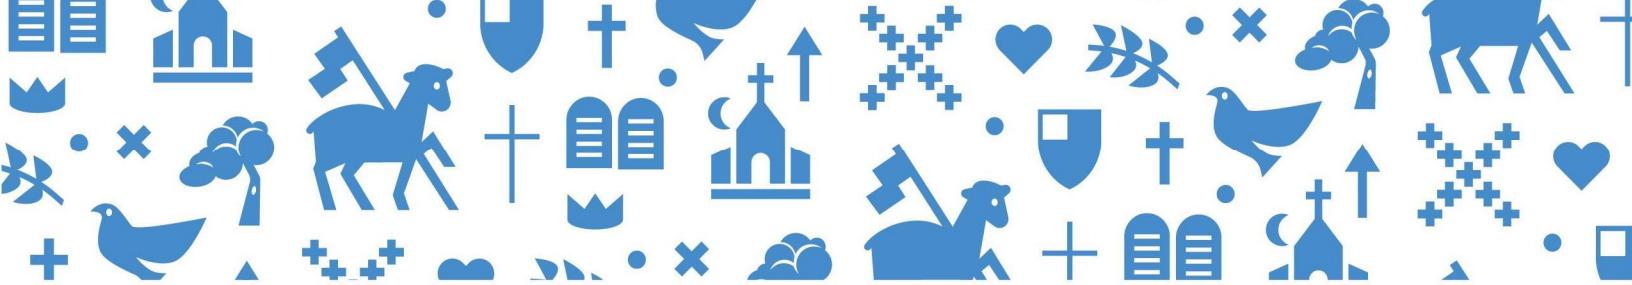

Supplies Needed:

Parish Box Subscription

Additional box subscriptions:

- For the families – we recommend that each family have a box at home.
- If you only have one or two families, we encourage you to get a couple of extra boxes for use at the parish events so that all parishioners can join in the activities together.
- *Grants are available for parishes who wish to offer this option but do not have the funds. Please contact the Little Box of Good News® team to learn more!*

Weekly suggested plan for Peace Box

Please adapt this and use it as it works best for your parish!

You can stretch/shrink any piece to fit your time frame. As written, it should take about 20 minutes.

Suggested supplies are italicized in red.

Week 2 – What is Peace? The Holy Spirit

Opening Song

Choose a song from the Little Box of Good News Youtube channel:

Lesson

Ask: *Can anyone tell us about the story from last week?*

Allow a child to retell the story or the activity. If the child does not mention the dove, ask prompting questions such as: *What was the other symbol of peace after the great flood?*

Explain: *Jesus and his followers would have known this story. They knew that the dove was the symbol of peace.*

Tell the story of Jesus' baptism by John the Baptist. Be sure to note the holy spirit that came like a dove to rest on him.

Ask: *What do you think his friends thought of the dove?!*

Activity

Using pages 9-10, lead the children in making origami doves. If you do not have enough *origami paper* from the Peace Box, You can use any paper cut into a square to start.

This might be a challenge for younger children. Talk about how breathing can bring us peace even in a challenging moment.

Hang up the doves in a common space or allow children to take them home.

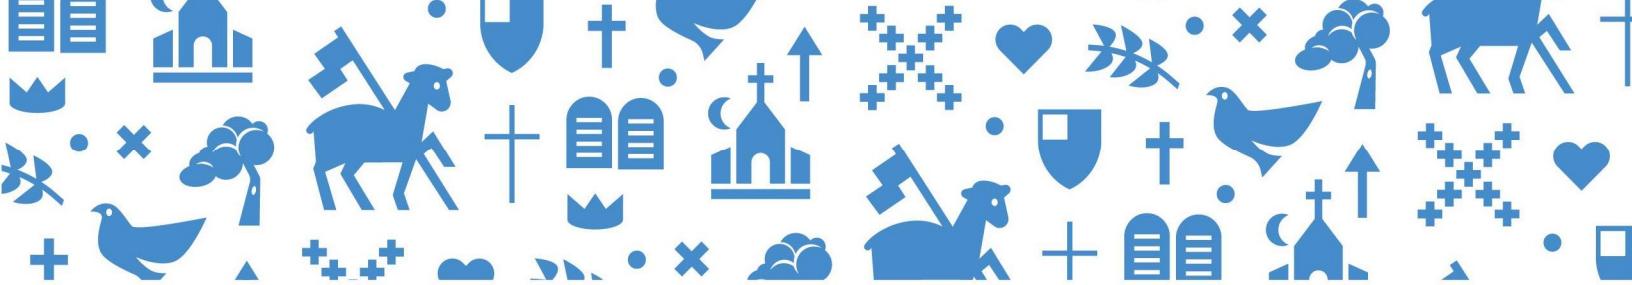

Go Deeper

Encourage the students to complete the What is Peace? activity with their family.

Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Week 5 **Peace in Your Body**

Opening Song

Choose a song from the Little Box of Good News Youtube channel:

Lesson

Sometimes our minds feel really busy or our bodies feel jumpy for all sorts of reasons. God wants us to feel peace inside our minds, hearts and in our bodies. In order to get peace, we have to know how our body is feeling.

Activity

Lay the *feelings cards* on the next page in front of the children. (You can copy them onto colored cardstock to be able to reuse them!) Then place the cards around the room.

Say: *How does your body feel right now? Move to that card.*

Example to share: *If my body feels tired, I might crawl to the “tired” card.*

Allow children to name and share their feelings and emotions.

Say: *How does your mind and heart feel right now? Move to that card.*

Example to share: *If my mind is feeling wild and I can’t focus on anything, I might jump to the “wild” card.*

Allow children to name and share their feelings and emotions.

Say: *When we know how we feel, then we can ask God to give us peace!*

Invite children to gather again together in a circle.

Say: Get in a comfortable position. We are going to breathe in slowly and then breathe out gently. When I say, “God is with me,” breathe in slowly. When I say, “God gives me peace,” breathe out.

Repeat this exercise a few times.

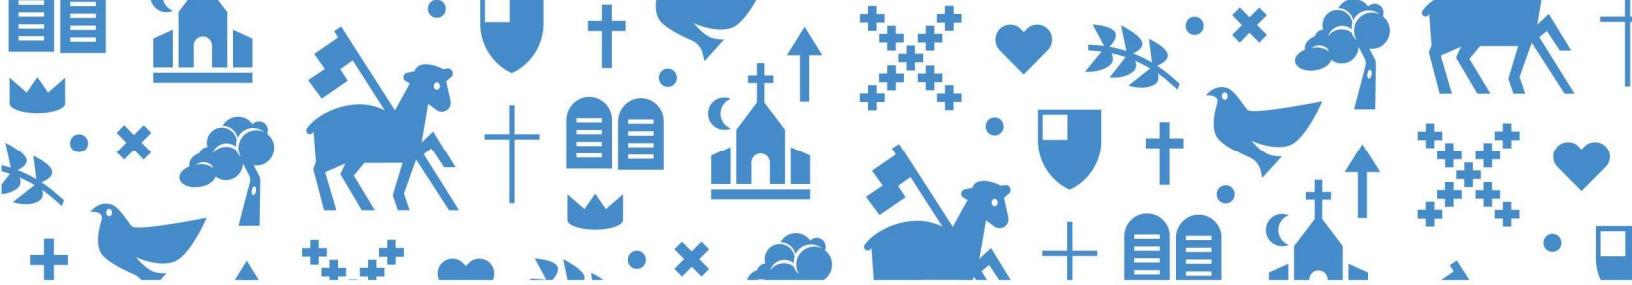

Go Deeper

Encourage students to complete the “Peace in Yourself” activity at home with their family.

Closing Prayer

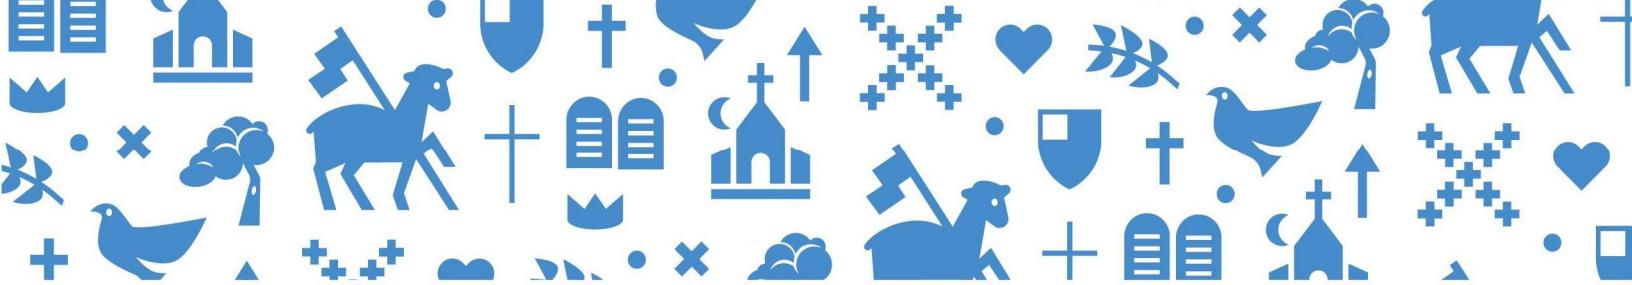

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Calm	Wild	Happy
Tired	Sad	Angry
Silly	Worried	Disgust
Joy	Bored	Shy
Surprised	Excited	Loving
Jealous	Frustrated	Awkward
Focused	Content	Proud

Week 6

Sharing Peace

Opening Song

Choose a song from the Little Box of Good News Youtube channel:

Lesson

Say: *Peace be with you.*

Hopefully, the children will respond, "And also with you."

Ask: *What does that mean when we say peace be with you?*

Allow for a variety of answers.

Activity

Read Peace in Your Home on page 19.

Using the *sticky notes from your Peace Box*, have the students think about who needs peace in the church family.

Each child can write several notes of peace (or draw pictures) to share with others at church. You may need to help the younger children with writing or thinking about who they can give it to.

Instruct the children to hand these notes out when they return to the church for the sign of peace.

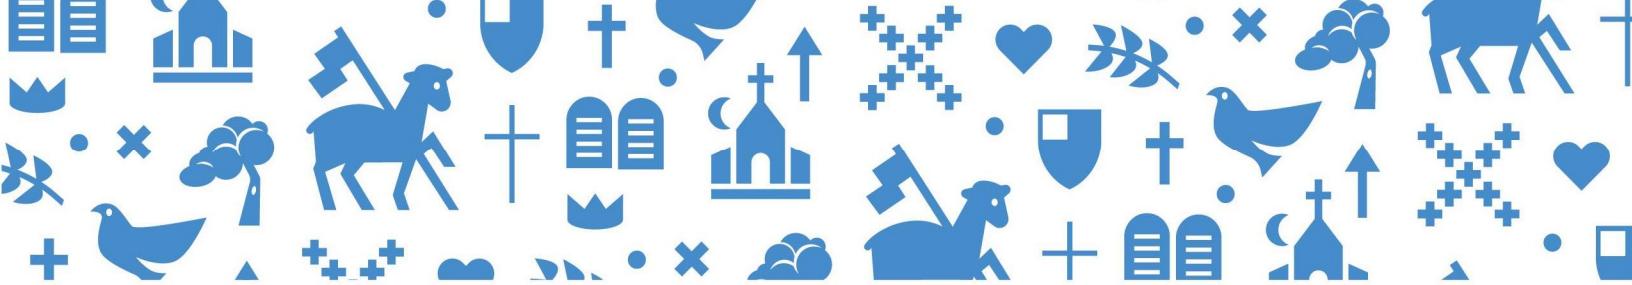

Go Deeper

Encourage the students to do this activity in their homes with their families. Ask them to share about their experience next week!

Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Week 7 Jesus Calms the Storm

Opening Song

Choose a song from the Little Box of Good News Youtube channel:

Lesson

Ask: *Does anyone remember what we talked about last week? About sharing peace?* Allow for responses.

Ask: *Did anyone have a chance to share peace in your home? Can you tell us about it? What was it like? Who needed peace? Why?*

Encourage further response. Bring the discussion to the fact that sometimes there is not peace in ourselves or our family.

Activity

Have all of the children sit in a circle on the floor.

Say: *I want you to help me tell a story about Jesus and his friends.*

Choose one person to be Jesus. Everyone else is a friend. Using the script on the next page, tell the story of Jesus calming the storm.

Ask: *I wonder what it felt like to be Jesus' friends?*

I wonder what it felt like to be Jesus?

I wonder if you have ever been in a situation that made you scared?

Read page 24 and the top of page 25 in your Peace booklet.

Invite students to share about their own experiences of being scared and finding peace in their family or Jesus.

Go Deeper

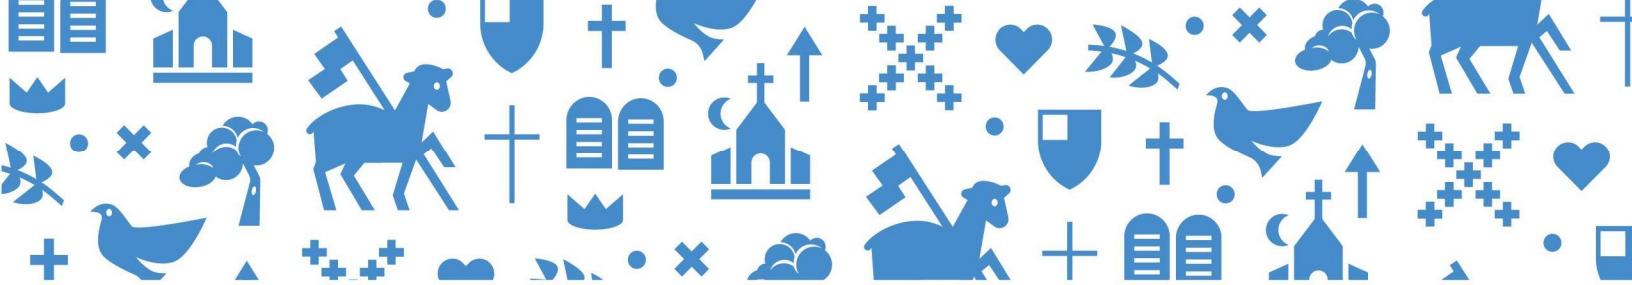

If time allows, you can use a rain stick to recreate the story and let different children take turns being Jesus.

Encourage them to do the activity with their families and practice calming the storm.

Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Jesus Calms the Storm

Jesus and his friends were on a boat.

Everyone rocks back and forth like they are on a boat.

Some of Jesus' friends were fishermen.

Invite some children to pretend to fish.

Others were just hanging out, having fun with Jesus.

Kids can pretend to laugh and have fun. (Hopefully, they are getting into the story now.)

Jesus got tired and went to sleep.

Jesus pretends to sleep.

His friends tried to sleep but it started to rain.

Everyone pats their laps softly.

Then it started raining harder and harder.

Pat laps louder and faster.

But Jesus stayed asleep.

Jesus pretends to sleep.

There was thunder and lightning.

Kids can clap and say boom!

Waves were crashing!

Everyone sways to one side then the other.

But Jesus stayed asleep!

Jesus pretends to sleep.

Jesus' friends were scared!

Make scared faces.

They woke up Jesus!

Everyone can "wake up" Jesus.

But Jesus was not scared. Jesus said:

Whisper to Jesus what to say.

Silence! Be still!

Everyone stops all noises.

The wind settled down and there was a great calm.

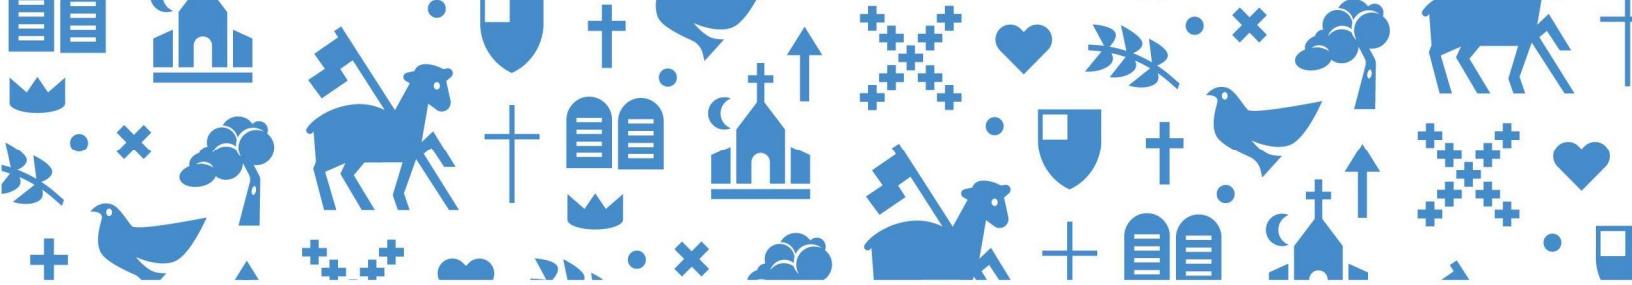

Why are you afraid? Don't you have faith?

Jesus said:

Jesus pretends to sleep.

Then Jesus went back to sleep.

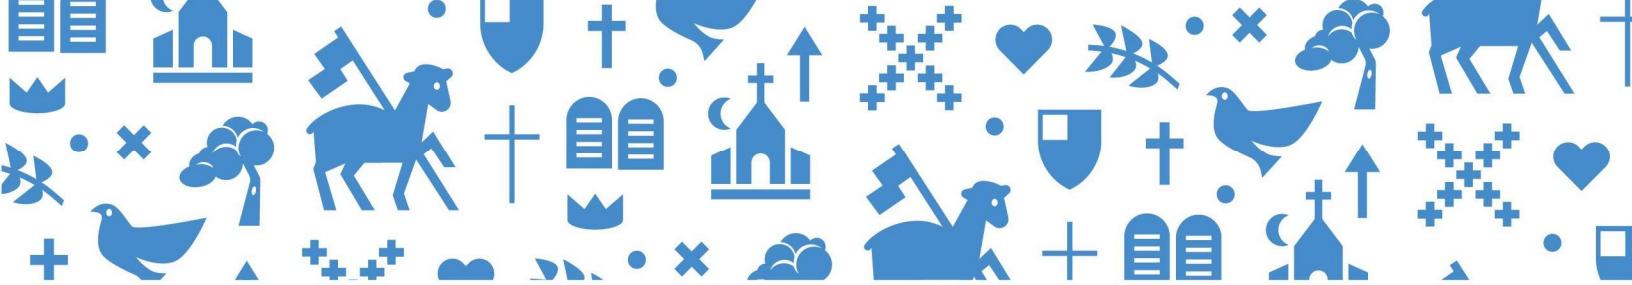

Week 8 Prep for Little Circle Sunday

Week 10

Saints of Peace

Opening Song

Choose a song from the Little Box of Good News Youtube channel:

Lesson

Use the Saints of Peace fold-out in your Peace Box to teach about saints.

Activity

Ask: *What is a saint?*

Allow for a variety of answers, but the goal is to agree that a saint is a holy person whose life reflects the teachings of Jesus. This person does not need to be an Episcopalian or even a Christian. They are someone who shows us what it is like to live a life full of God's love.

Show the students the saints of peace fold-out and talk about each one.

Note: If you have time before, you can prepare by doing your own research on some of these saints. Feel free to choose one or two to really highlight. For example, you might want to share a clip from a Mr. Roger's episode or show a story about Ruby Bridges. Many of these modern people have had books written about them at the library.

Ask: *Do you know of anyone else who is a saint of peace? Is there anyone in our community whose life reflects God's love?*

Allow for the students to share their reflections.

Provide *blank copies of the following page* (or just *blank paper*) and *drawing supplies (markers, crayons, colored pencils, etc.)* for use.

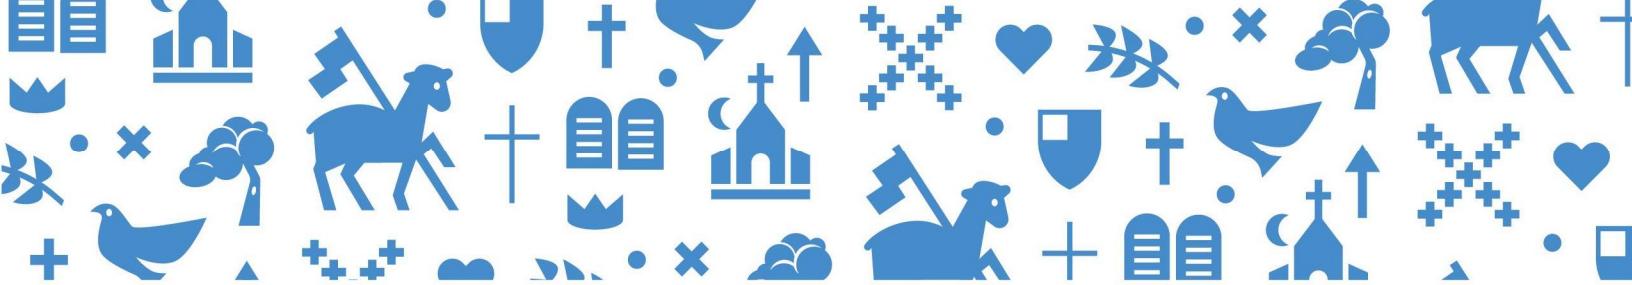

Go Deeper

Invite students to explore some of these saints in more detail and present their findings next week.

Closing Prayer

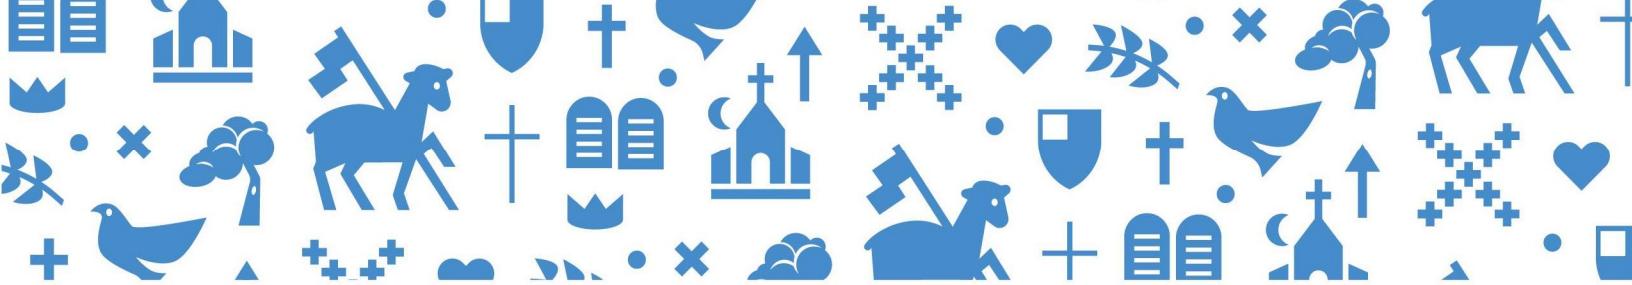

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

My Saint of Peace

Week 11

Bringing Peace to the World

Opening Song

Choose a song from the Little Box of Good News Youtube channel:

Lesson

Our church can share peace with the world.

Read page 35, Peace in the World, in the Peace Booklet.

Activity

Ask: *Where and when have you noticed people being treated unfairly? How does it make you feel?*

Provide a *list of the outreach ministries at your church*. Review them with your students.

Ask: *Do any of these help fix the problems that you named? What problems do they solve? Who do they help?*

Encourage a discussion about the ministries and what they do.

Ask: *What would you like to do? Should we as a class help one of these ministries? Should we do something else?*

Create a plan with students to put their desire for peace into action.
(Examples: Plan a sock drive to give socks out in the winter to a homeless shelter. Write welcome notes for the welcoming committee to add to their parish welcome bags.)

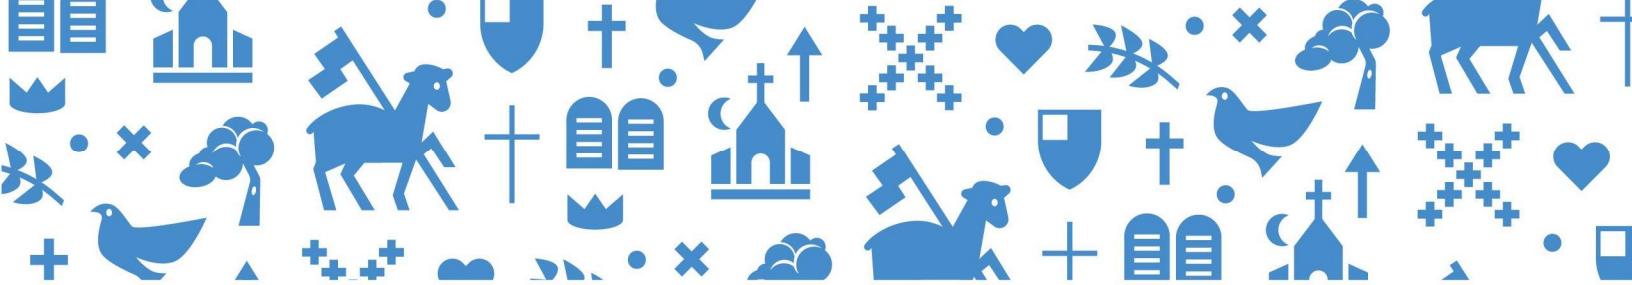

Go Deeper

If appropriate, talk to your church leaders about this activity. Try to include whatever project they chose into your next Little Circle Sunday so that the children can see the fruits of their labors and understand that they are part of the church!

Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Week 12 Prep for Little Circle Sunday

What is a Little Circle of Good News?

A Little Circle of Good News is a gathering of families who all receive and are using the Little Box of Good News®. It helps families connect with each other and their local Episcopal Church.

Are you already registered as a Little Circle of Good News?

Use the included poster to share your upcoming gatherings.

Be sure to let us know if you have any updates to your listing (or if you do not see it on our website!). You can reach us at littleboxofgoodnews@edola.org.

Parishes using Little Box of Good News® as your primary faith formation:
Little Circle Sundays are written into the curriculum once a month as an intergenerational experience for your whole congregation. Please let us know if you need any assistance in getting these started.

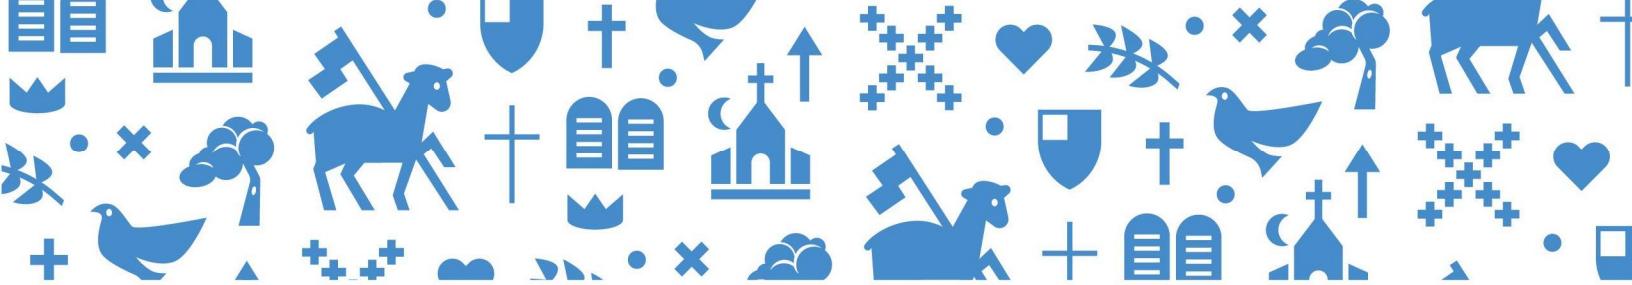

Check the website map to make sure that your parish is listed!

Are you ready to start a Little Circle of Good News?

To host a Little Circle of Good News, a church needs:

- Parish Support
 - Subscribe to get a Little Box of Good News parish version.
This will include the same elements as the family version, but with additional resources for you as a church.
 - Include the Little Circle of Good News as one of your parish ministries.
 - Include in updates and announcements
 - Provide space for gatherings (and food, if possible)
- Priest Support

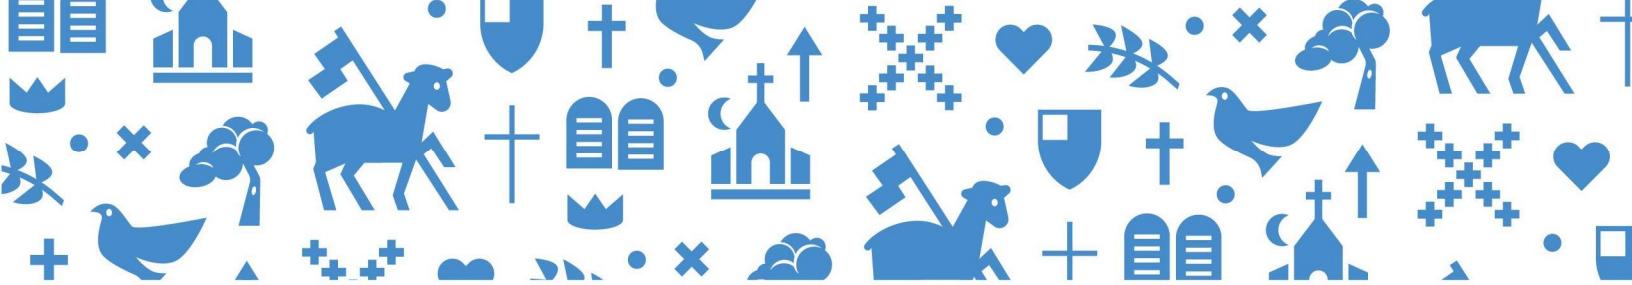

- The parish priest encourages families and joins them for gatherings when possible.
- Be aware of the contents of each box, paying particular attention to the community aspect. This is the piece that families will bring back into the parish.
- Host Family
 - This family, who receives the box themselves, is willing to coordinate monthly get-togethers of families involved.
 - This is the go-to person when a new family wants to join.
 - This role can rotate among families as the Circle develops.
- Gatherings
 - If you are using the Little Box of Good News® as your primary faith formation program, these gatherings are integrated into the curriculum once a month.
 - Monthly or quarterly meetings of families receiving the Little Box of Good News.
 - This time of fellowship and community has no set script or rules. Families may want to discuss an element of the box or share about their experiences. However, gathering for a meal and play is just as important!
 - New families subscribing to the box should be welcomed! (If the circle feels like it is getting too big for one gathering space, then feel free to break into smaller groups.)
 - These can take place at the parish, at a park, at a family's home, or really anywhere the group wants to meet.

Our team is happy to help your church get started! Please reach out to us at littleboxofgoodnews@edola.org.

Choose just one or two needs that you can come together to solve.

**Faith Family Fun:
Peace Mural**

Gather for a meal in your parish hall. Have a large piece of butcher/banner paper and decorating supplies (markers, crayons, glitter, colored pencils, etc.). As you share a meal, talk about what peace means to you. Invite each person to add something to the mural that reminds them of peace – or a prayer for peace. Your parish should hang it where you can celebrate your vision for peace.

Going Deeper Dinner

Host a dinner, potluck, or coffee hour where families can share about what they discovered when they did the "Going Deeper" sections of the booklet.

Workshopping Wonder

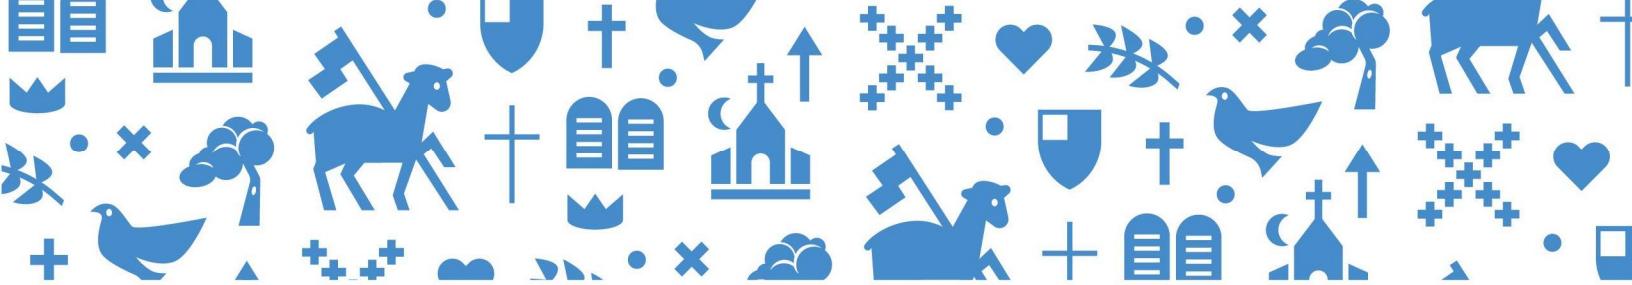

Have a time for parents to get together while the children play. Encourage parents to share the wonder questions and responses from their children and assist each other with tricky questions.

Peace Walk

Gather in a park or nature area. Begin by having everyone decorate (using paint or markers) "kindness stones." Kindness stones are smooth small rocks that have positive messages painted on them. While they dry, the group can share a picnic meal or snack. Then, take a nature walk/hike together as a community. Along the way, everyone can place their kindness stones for others to find in the future.

Remember, this is YOUR parish's little circle. There is no right or wrong way to gather!

Sermon Ideas:

Peace as an action. (The Good Samaritan)

Peace begins in ourselves and our homes. When we say I'm sorry and I forgive you, we share peace.

The progression of peace in the liturgy. We confess our sins and receive God's peace and forgiveness. Then, we share this peace with each other in the sign of peace. We then enter into communion with each other and the saints in heaven when we receive the Eucharist. Finally, fully equipped, we are sent into the world to "go in peace to love and serve the Lord."

Additional Ideas and Resources for your Community

Community Connection:

Saints of Peace

Families will be discussing the Good Samaritan story and exploring modern day saints of peace. They will be encouraged to look for role models within the community. For children using the Sunday School curriculum, they will also be encouraged to find role models who are saints of peace within the community. Perhaps the parish wants to start a wall where the community can highlight those who they feel are saints of peace: people who go out of their way to be nice to others and spread God's peace in their community.

Going Deeper as a Community:

Taking Action

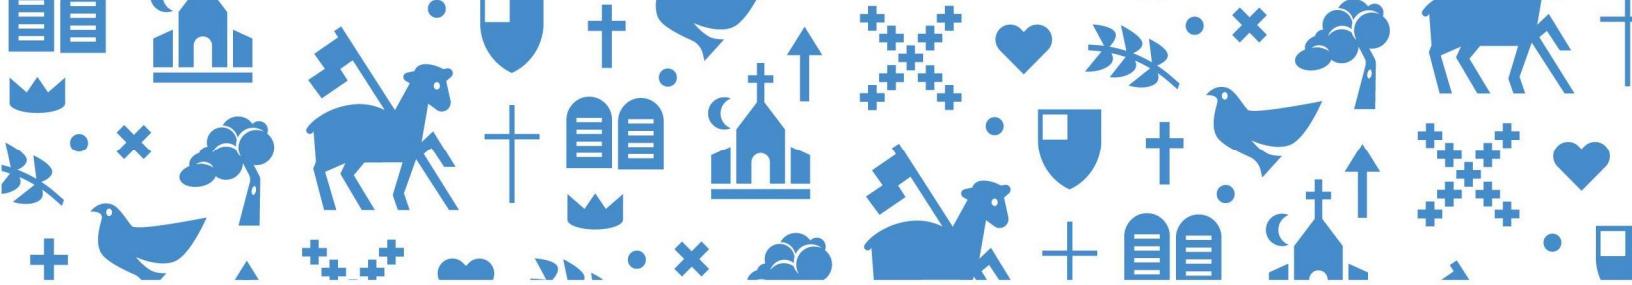

One suggestion for a Little Circle Sunday is to have a day of service in honor of MLK Day. This could definitely become a whole church project.

In the Peace in the World activity, families (and children especially) are encouraged to write to those in political power to effect change toward peace.

For those following the Sunday School Curriculum, the children will be encouraged to learn about the different ministries of the parish and come up with a way to partner with them to bring peace.

These are all opportunities for the whole church to engage with the Little Box of Good News.
