Faith Formation for *Families*

## Parish Box:

## Prayer

*(English Version)*

# LittleBox of GoodNews | Cajita de Buenas Nuevas™

Today is a good day!

You have chosen to equip your families with fun faith formation that they can do *together*.

You will receive the same version of the Prayer Box that families receive so that you can understand the contents and better support them. It will be shipped separately from this envelope.

In the box, there are activities to help discover the following:

- What is prayer
- How to pray within themselves
- How to pray in their homes
- How to pray as a family
- How to pray as a community
- How to pray in the world

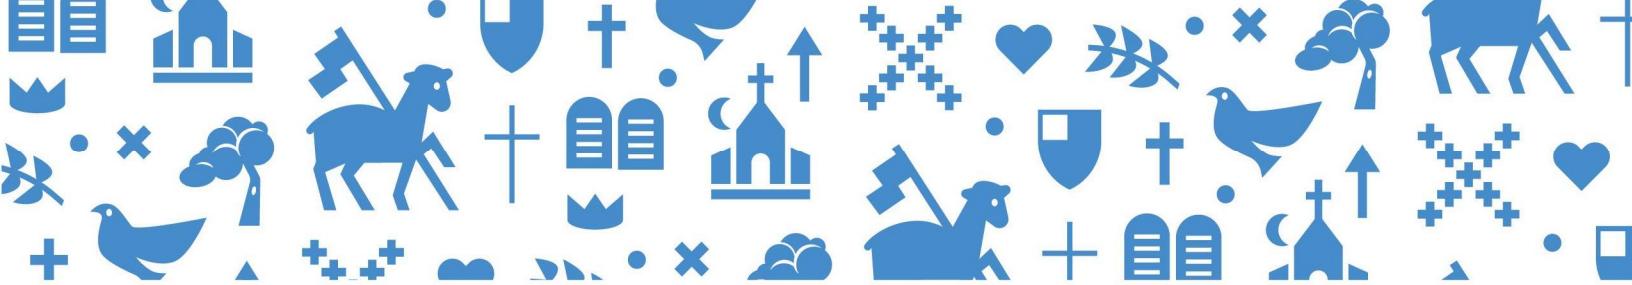

The Little Box of Good News® is a family-centered faith formation program created by the Episcopal Diocese of Louisiana. One goal is to assist parishes with bringing the Good News into homes and equipping parents and caregivers, who are the primary faith-builders in the family. Together, we are helping the next generation realize and embrace their identity as beloved children of God!

### What Is Prayer?

You can use this deck of cards and do this activity in the Sunday School classroom. Then, encourage children to go home and continue the activity with their families (see booklet pages 6-12).

### Prayer in the World

The families will have planted seeds of prayer. You can go deeper with the children by talking about how we care for creation in the Episcopal Church (see booklet pages 38-43).

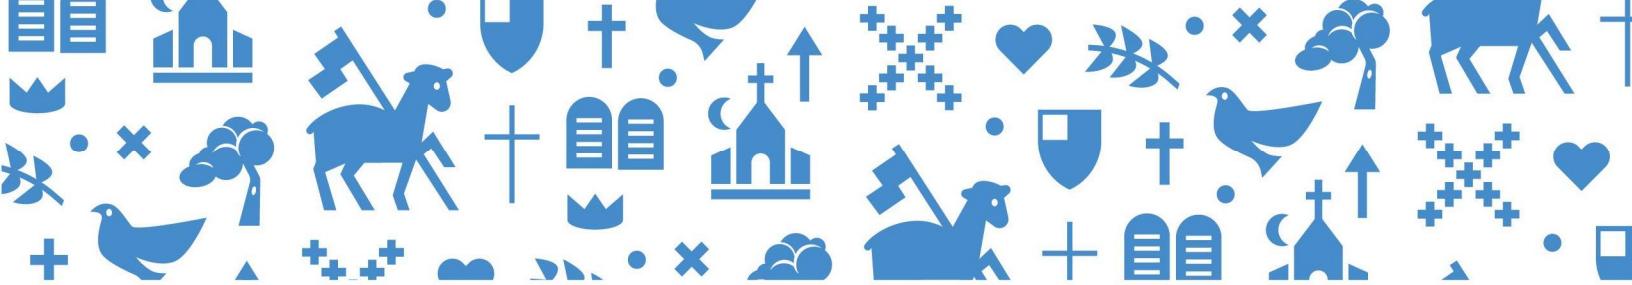

## **LittleBox of GoodNews | Cajita de Buenas Nuevas™**

### **Using the Little Box of Good News® as your primary parish faith formation program:**

Since this is an intergenerational program, we recommend that you plan to have an intergenerational activity once a month following a liturgy that is focused on youth and families. This would be your Little Circle of Good News gathering. At this liturgy, if you typically have children's church, you would forgo that option and keep everyone in church together for the liturgy. We encourage you to create a sermon that appeals to all ages. (See sermon topics if you want to tie it into the Prayer Box.)

You would then offer children's church on the other Sundays as is customary in your parish. We understand that many churches share similar challenges around children's church or Sunday school. Therefore, we have formulated a very simple children's church plan that *any volunteer can lead*, using the Prayer Box, regardless of whether you have 2 or 12 children present and whether they are 2 or 12 years old. The lessons are designed to take only 20 minutes since that is often how long we have!

## Planning Structure:

### Once per month:

Youth/Family Centered Liturgy & Sermon

Little Circle of Good News gathering

### Remainder of Sundays:

Children's Church/Sunday School

*(We have included suggestions for 13 Sundays per box.)*

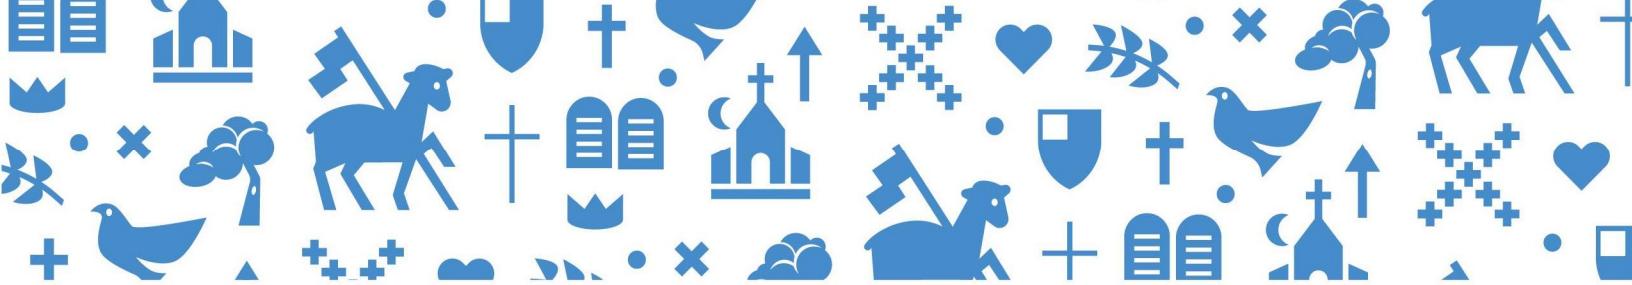

### Supplies Needed:

*Parish Box Subscription*

*Additional box subscriptions:*

- For the families – we recommend that each family have a box at home.
- If you only have one or two families, we encourage you to get a couple of extra boxes for use at the parish events so that all parishioners can join in the activities together.

## Weekly suggested plan for Prayer Box

Please adapt this and use it as it works best for your parish!

You can stretch/shrink any piece to fit your time frame. As written, it should take about 20 minutes.

*Suggested supplies are italicized in red.*

## Week 1      **Creating a Community Prayer Space**

### Opening Song

Choose a song from the Little Box of Good News Youtube channel:

### Lesson

Explain: *When we gather together on Sundays, we have a prayer space that we use. It is the sanctuary of the church. However, when we gather together in this space for children's church, we want it to be a special place for us to pray, too.*

### Activity

Make a community prayer space:

Use the scavenger hunt on page 23 to help you design your space. Some of these items, you might need to supply and others the children might be able to draw or create. (*Watch the video online for more ideas of how to make this space. Items that are helpful: liturgical colored cloth, cross, candle, Bible, BCP, flowers*)

Note: There will be an activity about liturgical colors and the calendar coming up – so you can focus on just creating the space now.

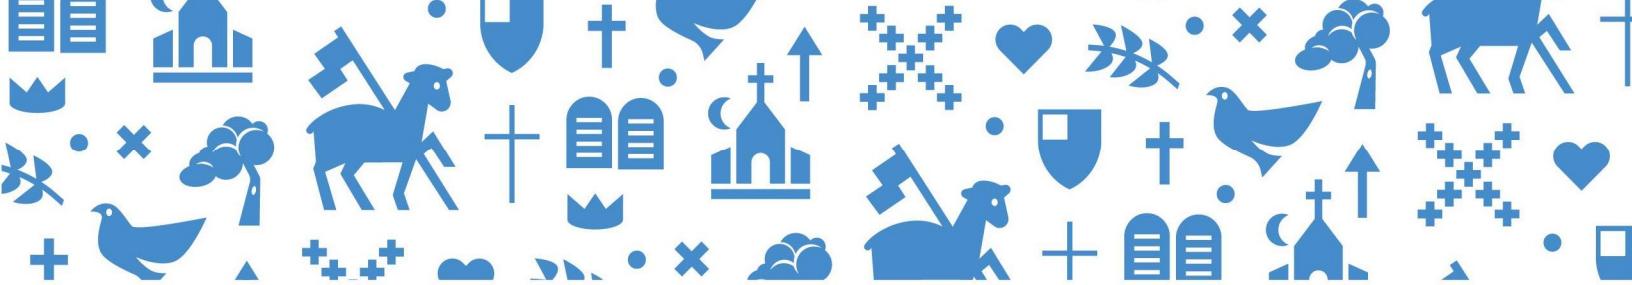

### Go Deeper

Tell the children that the activity "Prayer in Your Home" on pages 21-25 in the booklet can walk them through making a sacred space at home with their family. Encourage them to bring pictures of their family prayer spaces next week!

### Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

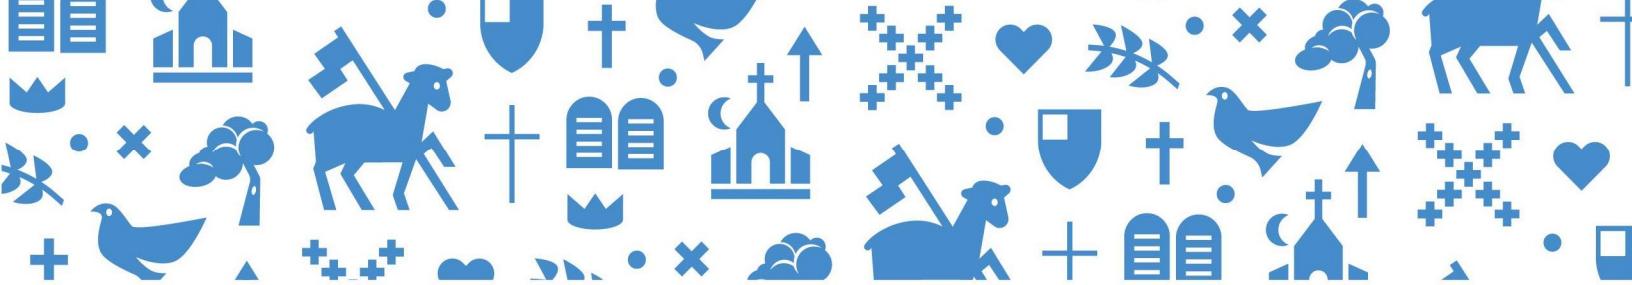

## Week 2 - Prayer is anything that helps us get close to God

Opening Song	Choose a song from the Little Box of Good News Youtube channel: 
Lesson	Read page 7 in your booklet: What is Prayer?
Activity	Look through the cards from the Prayer Box together. Ask the children which way of praying they want to try. Provide supplies for them to draw, write or create ( <i>paper, markers, crayons, paint, glitter, etc.</i> ). Some may want to do a dance or sing. Reserve a few minutes to have everyone share how they prayed.
Go Deeper	Ask the children what other ways they like to pray. Have them design cards to add to the deck. If time allows, play a matching game with the cards.
Closing Prayer	Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

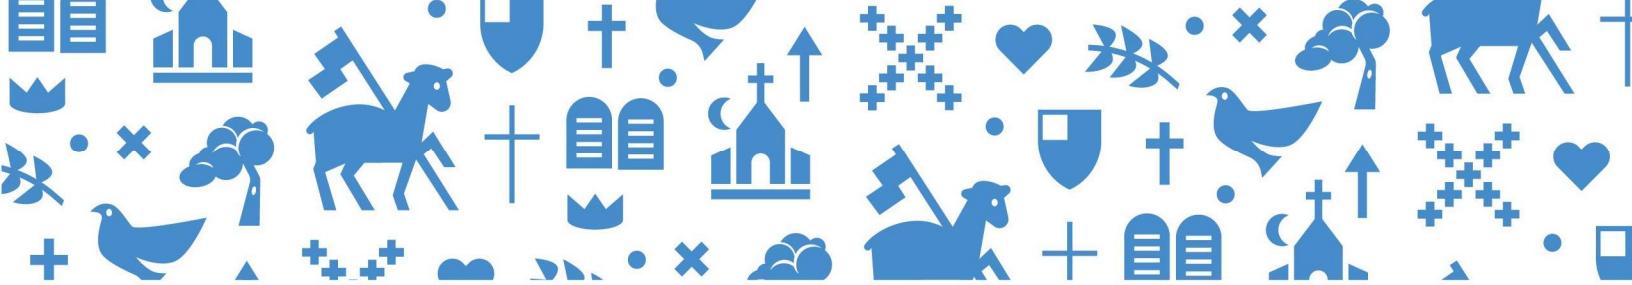

## Week 3      Prep for Little Circle Sunday

Opening Song	Choose a song from the Little Box of Good News Youtube channel: 
Lesson	<p>Explain that next week will be a Little Circle Sunday. This means that the focus will be on families and kids participating in the liturgy. Explain the roles in your church that they can do. Here are some examples, but you will want to specify with your priest what roles the kids can do:</p> <ul style="list-style-type: none"><li>Greeters - hand out the bulletins at the door and welcome people</li><li>Readers - read one of the readings or the prayers of the people</li><li>Ushers - bring up the gifts of bread and wine</li><li>Ushers - collect the offertory and bring it up</li><li>Ushers - let people know when it is their turn for communion</li><li>Acolytes - serve at the altar</li></ul>
Activity	Have the kids choose and practice for their roles for the following week. <i>Prepare <b>readings and responsibilities</b> needed for the following week.</i>
Go Deeper	If you have older kids/teens, have them read through the set of readings and discuss what they would want to say for a sermon. They can present these ideas to the priest.
Closing Prayer	Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

## **Week 4**

## **Little Circle Sunday**

No Children's Church or Sunday School.

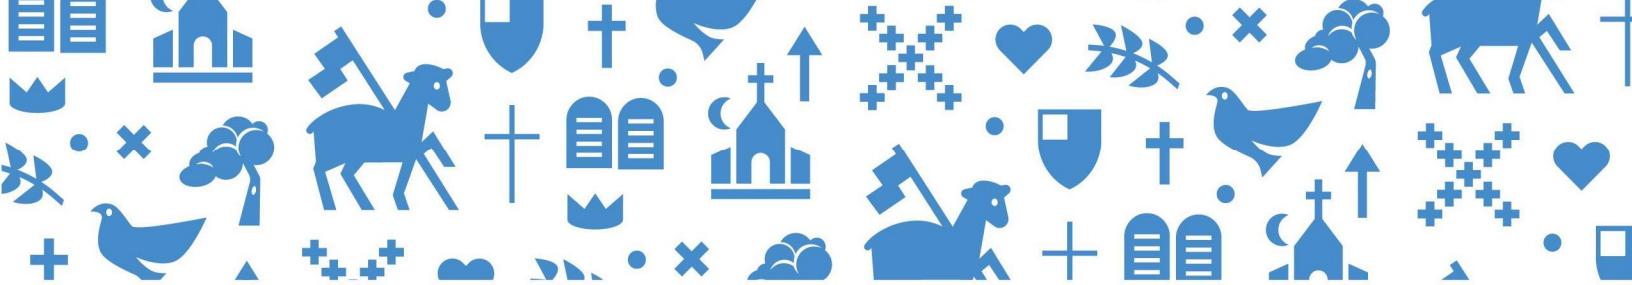

Have children participate in liturgy.

Give a child-friendly sermon.

Use the Little Box of Good News songs by Fr. Ron Clingenpeel.

Plan a Little Circle of Good News gathering after church. See additional pages (under the Little Circle tab) for suggested topics, ideas and planning guides for your Little Circle.

## Week 5      Introducing Liturgical Colors

### Opening Song

Choose a song from the Little Box of Good News Youtube channel:

### Lesson

The liturgical calendar is a resource that offers a visual for all of us, especially children, through the use of color.

### Activity

Ask: *What color is the priest wearing today in church? What color cloths do you see around the altar? What do you think these colors mean?*

Teach: *Our church year is divided into seasons where we can focus on different parts of God's story in our lives. Right now, it is the season of \_\_\_\_\_ (depending on when you do this activity) and so the color is \_\_\_\_\_.*

Ask: *What are other seasons in the church? What do you think those colors are?*

Provide **blank copies of the liturgical calendar** and **crayons** for children to color.

### Go Deeper

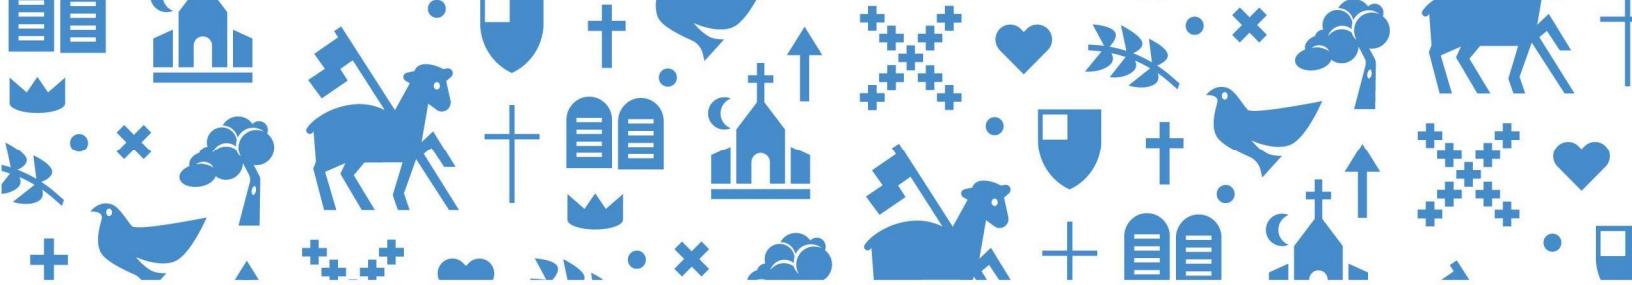

Create or obtain a large interactive liturgical calendar that you can move each week with the seasons of the year.

Change out the cloth in your prayer space for each liturgical season.

### Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Advent – Blue/Purple

Christmas – White

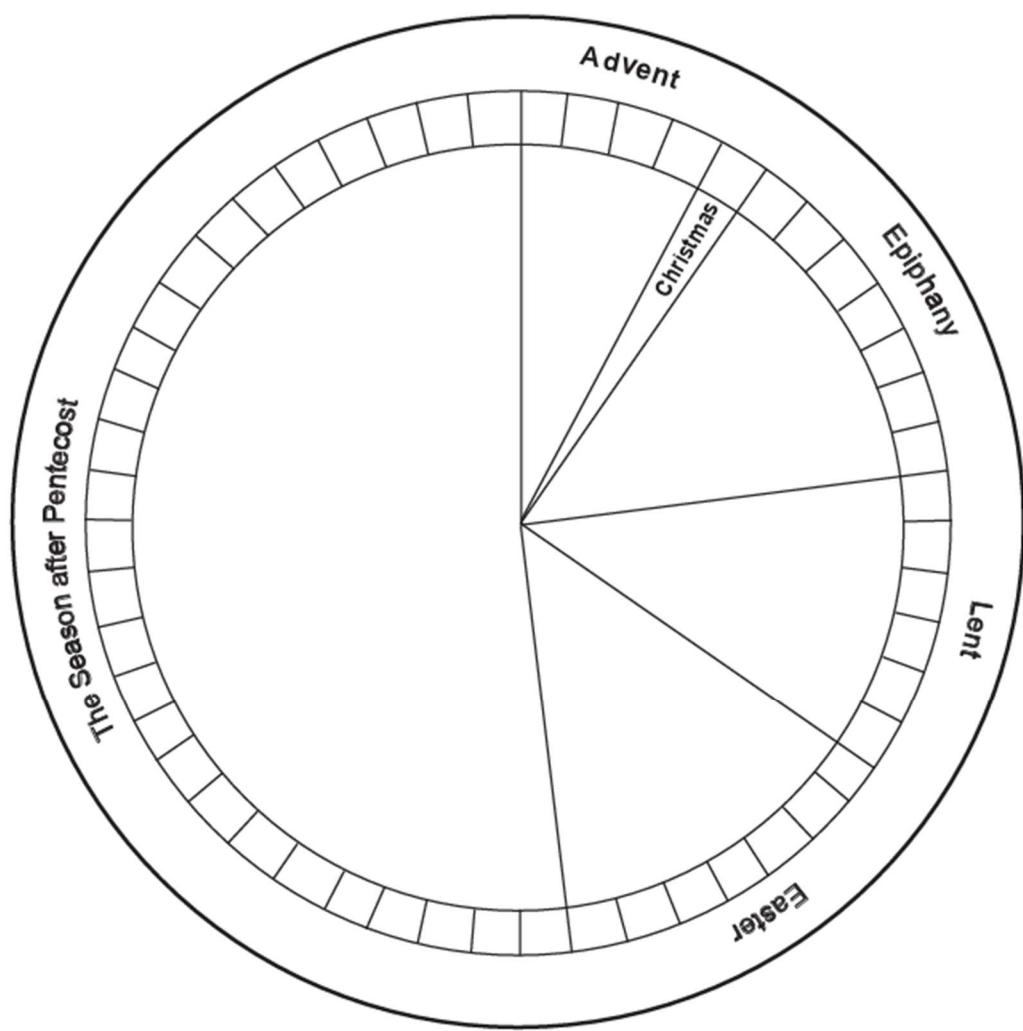

Epiphany – Green

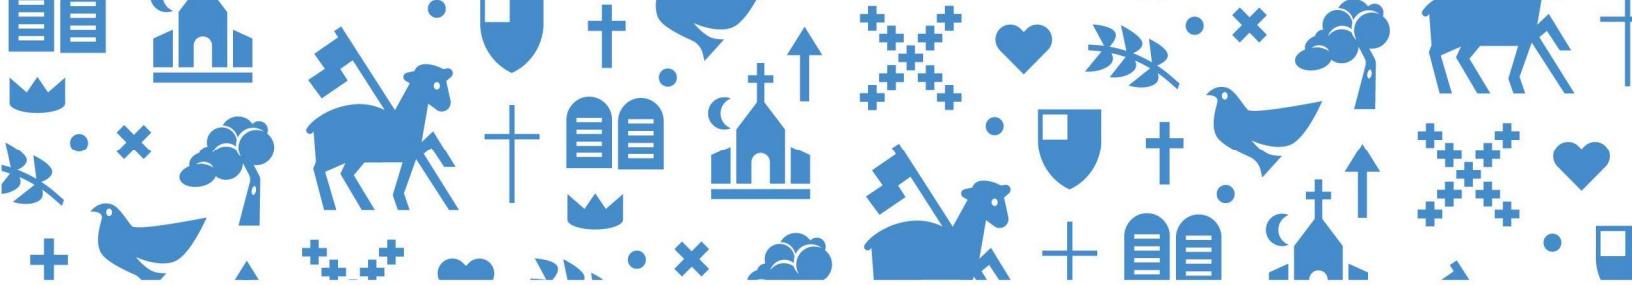

Lent – Purple

Easter – White

Pentecost – Red

Season after Pentecost – Green

## Week 6

## Praying like Jesus

### Opening Song

Choose a song from the Little Box of Good News Youtube channel:

### Lesson

Read page 18 in your booklet.

Ask: *When have you heard this prayer before?*

Explain: *In the gospels, the disciples asked Jesus to pray and he gave them the prayer that we now call the “The Lord’s Prayer.” Since it is how Jesus prayed, we like to say it often, at each service.*

*You can also pray it on your own once you know it!*

### Activity

Say: *Today, we are going to learn this prayer together.*

Provide students with a *copy of The Lord’s Prayer* (on next page) and allow them to color or decorate while doing this activity (*crayons, colored pencils, etc.*)

Follow this method:

Have a child read one line of the prayer.

Ask: What does this mean? Discuss.

Have everyone say the line together.

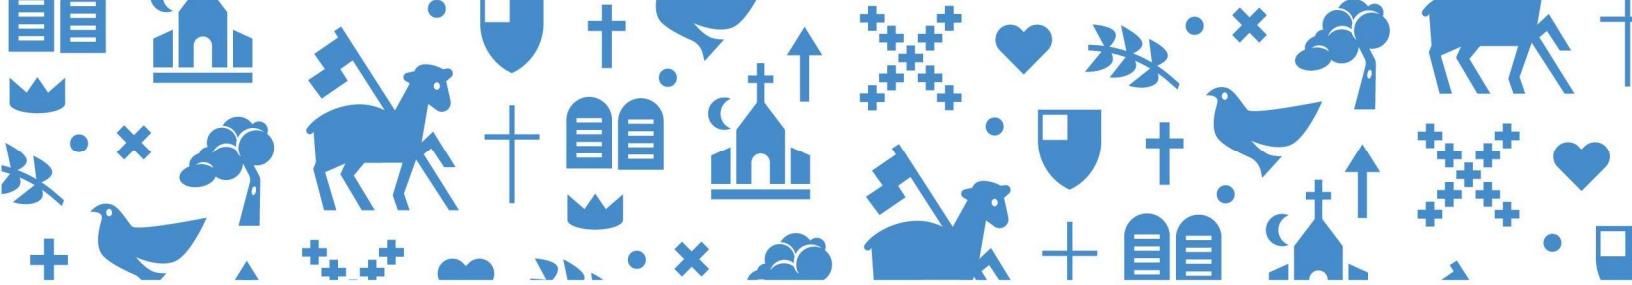

### Go Deeper

Challenge the children to go home and practice this prayer and say it with their families. Offer a prize for whoever can recite it next week without reading it.

### Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

*Our Father in heaven*

*hallowed by your name.*

*Your kingdom come,*

*your will be done*

*on Earth as it is in Heaven.*

*Give us today our daily bread.*

*Forgive us our sins*

*as we forgive those who sin against us.*

*Save us from the time of trial*

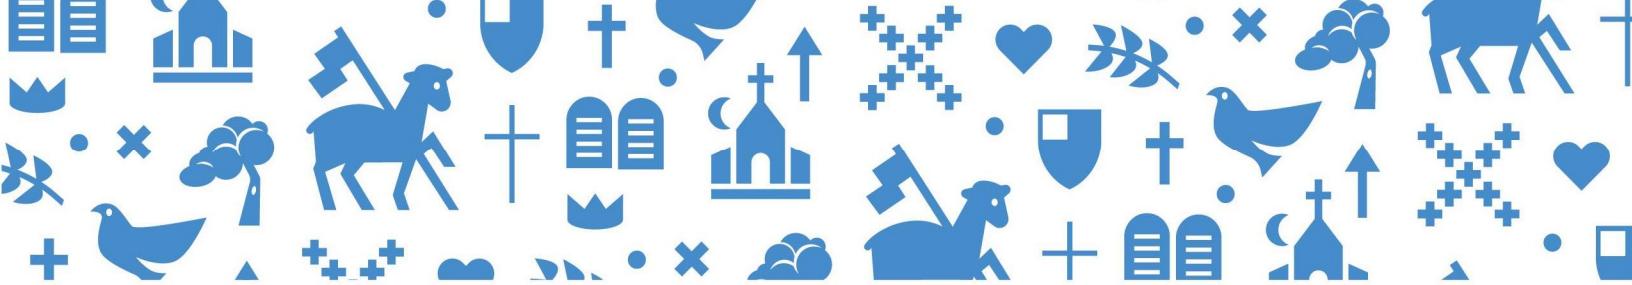

*and deliver us from evil.*

*For the kingdom, the power and the glory*

*are yours forever and ever.*

*Amen.*

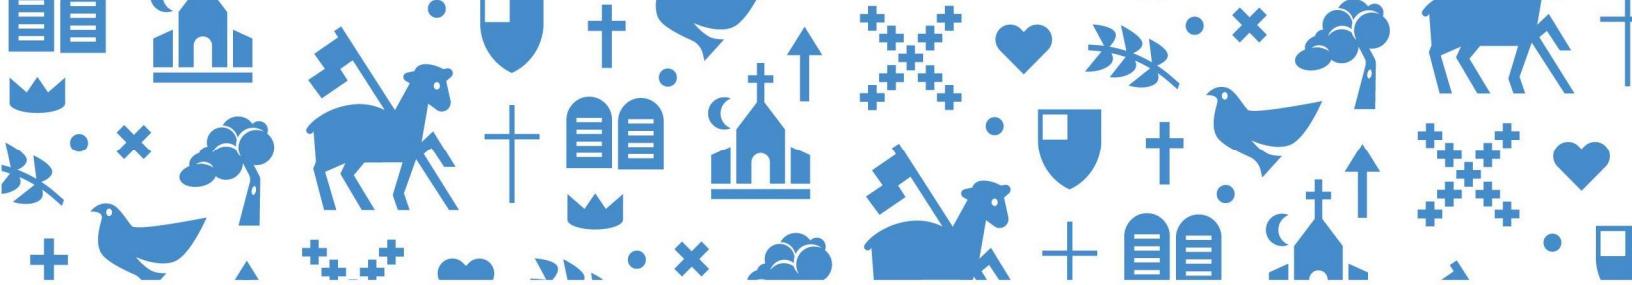

## Week 7      **Praying Together**

<b>Opening Song</b>	Choose a song from the Little Box of Good News Youtube channel:
<b>Lesson</b>	<p>Review: <i>Who remembers how Jesus taught us to pray?</i></p> <p>Review: <i>Who remembers what else can be prayer?</i></p> <p>Read pages 32 – 33 in your booklet. Jesus says that when we gather together in his name, he is here with us.</p>
<b>Activity</b>	<p>Explain: <i>This week, we will choose a way to pray and do that together.</i></p> <p>Have the students revisit the <b>prayer cards</b> from the Prayer Box.</p> <p>Explore the options and talk about how you could do them together as a team. Discuss the different roles on a team (team captain, cheerleader, designer, etc. – it varies depending on the type of team).</p> <p>Have the children choose one way to pray and a team captain to lead.</p> <p>Repeat with different children leading different ways of praying together as time allows.</p> <p>Provide materials as needed (<b>paper, crayons, markers, glitter, etc.</b>).</p>
<b>Go Deeper</b>	<p>Wonder with the children:</p> <p><i>I wonder what was easier about praying together?</i></p> <p><i>I wonder what was harder?</i></p> <p><i>I wonder if you liked to be the team captain?</i></p> <p><i>I wonder what makes a good team captain?</i></p> <p>Encourage the students to pray with their families at home as a team.</p>
<b>Closing Prayer</b>	Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

## Week 10

## Praying in Other Languages

### Opening Song

### Lesson

Using a children's Bible, storybook, or your own memory, tell the story of Pentecost to the students.

Ask: *What did you notice in the story?*

Highlight how all the people heard the disciples speaking in their own language!

Ask: *What languages do you know?*

### Activity

Explore the *Prayer Box* together as a class. Notice that all activities are in both English and Spanish.

Tell: *We are going to try some of the prayer activities in Spanish today!*

With the *Prayer Cards*, play a matching or memory game, but only using the Spanish words.

Listen and sing along to the songs in Spanish on the youtube channel. (The Spanish lyrics are on page 43 in your booklet.)

### Go Deeper

Repeat as time allows.

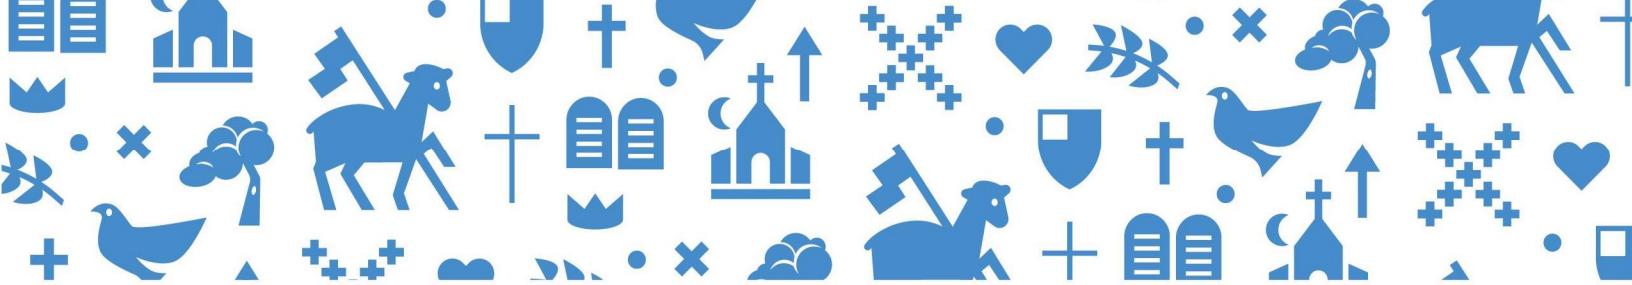

Encourage the children to repeat this activity at home.

### Closing Prayer

Use the Family Prayer tear pad from the Prayer Box to create a prayer together. Have a child read it as the closing prayer.

Added challenge: Complete the Spanish side of the prayer!

## Week 11

## Praying in Creation

### Opening Song

Choose a song from the Little Box of Good News Youtube channel:

### Lesson

Read page 38 and the first paragraph of page 39 in your booklet.

Ask: *What does it mean for the hills to burst into songs or the trees clap their hands?*

Explain: *Today, we will go outside and notice how the world around us prays.*

### Activity

Before going outside, review the appropriate senses to use for this activity (sight, hearing, smell, touch). Ask children to be silent and observe.

Take the class outside and allow 5 to 10 minutes to explore and observe.

Gather back as a class to discuss.

*What did you notice outside?*

*How might that be a way of praying?*

### Go Deeper

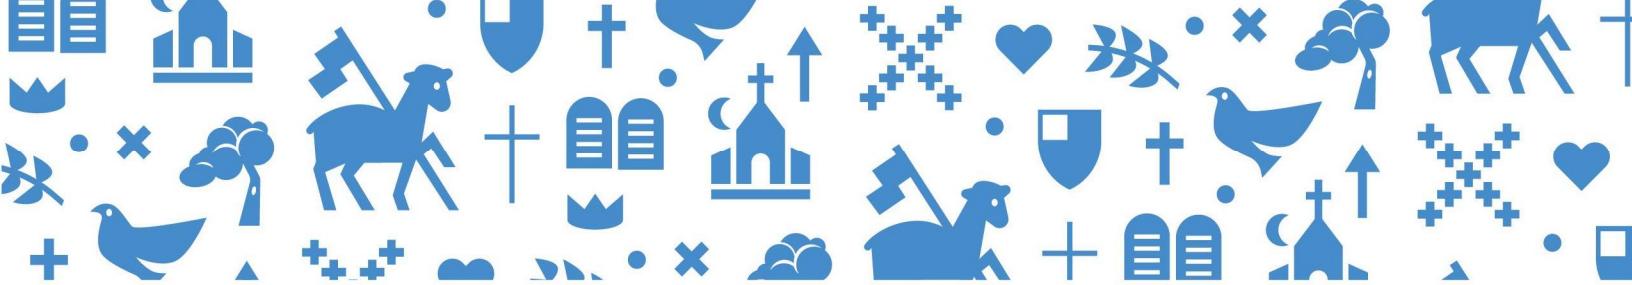

Provide students with materials to remember their observations and respond to God (paper, crayons, markers, glitter, glue, etc.). Encourage students to draw or write about what they experienced.

Remind students that they can continue this way of praying with creation wherever they are.

### Closing Prayer

## What is a Little Circle of Good News?

A Little Circle of Good News is a gathering of families who all receive and are using the Little Box of Good News®. It helps families connect with each other and their local Episcopal Church.

## Are you already registered as a Little Circle of Good News?

Use the included poster to share your upcoming gatherings.

Be sure to let us know if you have any updates to your listing (or if you do not see it on our website!). You can reach us at [littleboxofgoodnews@edola.org](mailto:littleboxofgoodnews@edola.org).

## Parishes using Little Box of Good News® as your primary faith formation:

Little Circle Sundays are written into the curriculum once a month as an intergenerational experience for your whole congregation. Please let us know if you need any assistance in getting these started.

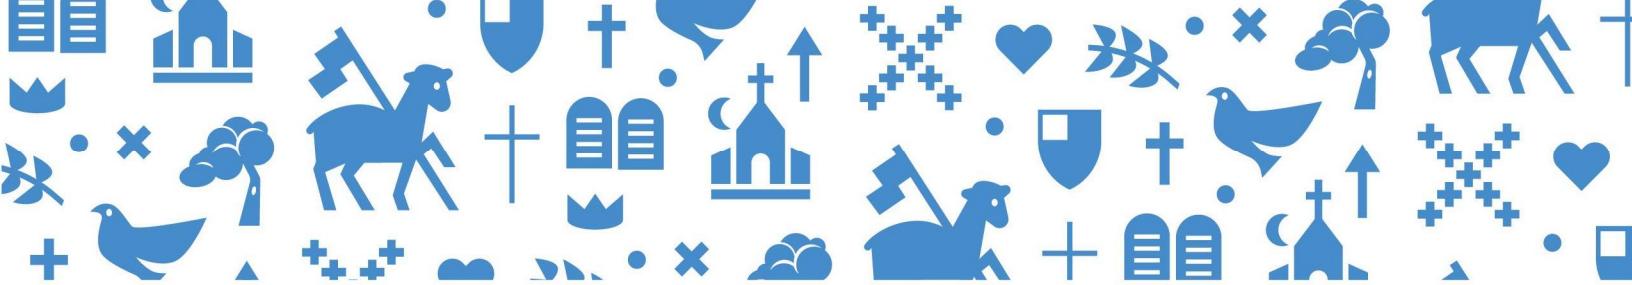

Check the website map to make sure that your parish is listed!

## Are you ready to start a Little Circle of Good News?

To host a Little Circle of Good News, a church needs:

- Parish Support
  - Subscribe to get a Little Box of Good News parish version.  
*This will include the same elements as the family version, but with additional resources for you as a church.*
  - Include the Little Circle of Good News as one of your parish ministries.
  - Include in updates and announcements
  - Provide space for gatherings (and food, if possible)

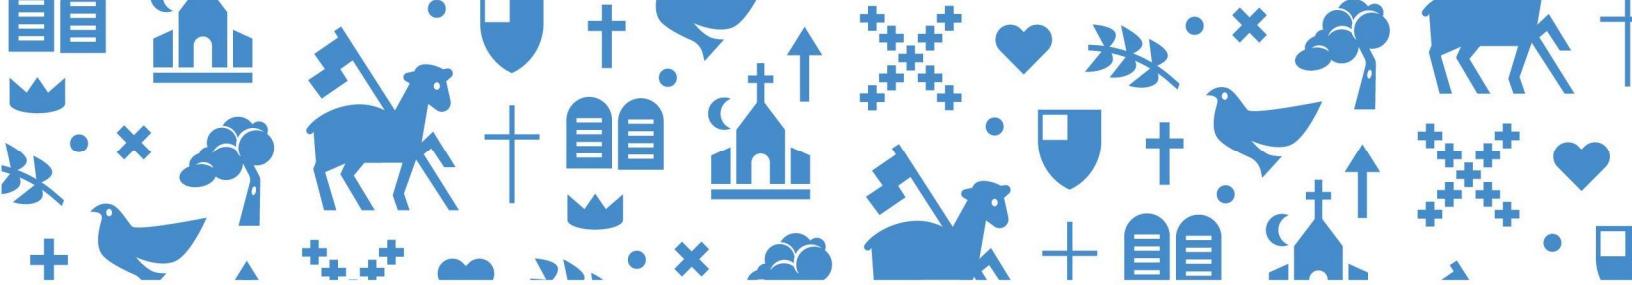

- Priest Support
  - The parish priest encourages families and joins them for gatherings when possible.
  - Be aware of the contents of each box, paying particular attention to the community aspect. This is the piece that families will bring back into the parish.
- Host Family
  - This family, who receives the box themselves, is willing to coordinate monthly get-togethers of families involved.
  - This is the go-to person when a new family wants to join.
  - This role can rotate among families as the Circle develops.
- Gatherings
  - If you are using the Little Box of Good News® as your primary faith formation program, these gatherings are integrated into the curriculum once a month.
  - Monthly or quarterly meetings of families receiving the Little Box of Good News.
  - This time of fellowship and community has no set script or rules. Families may want to discuss an element of the box or share about their experiences. However, gathering for a meal and play is just as important!
  - New families subscribing to the box should be welcomed! (If the circle feels like it is getting too big for one gathering space, then feel free to break into smaller groups.)
  - These can take place at the parish, at a park, at a family's home, or really anywhere the group wants to meet.

Our team is happy to help your church get started! Please reach out to us at [littleboxofgoodnews@edola.org](mailto:littleboxofgoodnews@edola.org).
